SNS COLLEGE OF TECHNOLOGY, COIMBATORE

TEXPERIA 2026 – WEBATHON

Rules & Guidelines

1) Event Overview:

WEBATHON is a **Vibe Coding Web Design Challenge** conducted as part of TEXPERIA 2026. In this event, participants will design and develop a website using chatbot assistance within a given event duration.

The competition focuses mainly on **creative UI design, user experience, and innovative web development.**

2) Team Structure:

- Each team must consist of 2–4 members.
- Individual participation is not allowed.
- All team members must be register by the team lead through the official registration form.

3) Event Schedule:

- Participants must report to the venue at 09:15 AM.
- The topic will be given on the spot with detailed instructions at the beginning of the event.
- Participants can start development only after the topic announcement.

4) Development Guidelines:

- Participants must develop the website using Vibe Coding with chatbot assistance.
- AI chatbot as ChatGPT or similar AI chatbots only allowed.
- The website must be created during the event time only.
- Pre-built projects or previously prepared code are not allowed.

5) Restrictions:

- Website builders such as Bolt AI, Antigravity, or similar tools are not allowed.
- Pre-made templates are not permitted.
- Copying from previously developed projects is prohibited.

6) Participant Requirements:

- All teams must bring their own laptops to the event.
- VS Code or a similar code editor must be pre-installed on the laptops.
- Participants should have basic knowledge of web development.
- Laptop charger and required accessories must be brought by participants.

7) Facilities Provided:

- WiFi will be provided at the venue.
- Charging ports and seating arrangements will be available.
- Lunch will be provided for all participants.

8) Submission Formet:

- At the end of the event, all teams must submit their project through the submission form provided by the organizers.
- The following items must be submitted:

a) Chatbot conversation history used during development.
b) Website source code in ZIP format or GitHub repository link.
c) Hosted website link (if available).

9) Certificates & Prizes:

- Participation certificates will be provided to all participants.
- Exciting cash prizes will be awarded to the winning teams.
